

ZSMedispo supply high quality of hospital equipment and disposable items.

Having the advantage of proximity to the raw materials and logistic services, our products could maintain reasonable price while maintaining international standards.

Highly trained and efficient engineers and work-force take care of the minutest details of the production, inspection, packing, and shipment of the goods to our costumers.

Being very near to the international sea ports and airports viz, Shanghai and Ningbo port for sea shipments, Shanghai, Ningbo, Hangzhou and Wuxi for air cargo shipments gives us the advantage of monitoring the movement of our cargo until they are onboard.

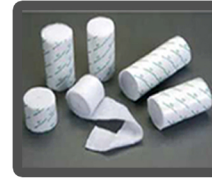

ABOUT US

Our satisfied customers and distributor of our brand products in South East Asia, Middle East countries, Asia, Europe, Australia, Africa, North America and South America is the testimony of our growth.

While we thank our existing customers and distributors for the support and patronage, we look forward for great association for mutual benefit and growth from new customers.
